

OCTO

Octo Telematics
Quality Policy

The brand Octo Telematics means quality, competency, mature service management and products reliability on the global markets of Insurance, Fleet and OEM.

In accordance with its general aims and strategies for growth, Top Management promotes:

- customer focus.
- growth of our leadership position in the global markets.
- technical excellence of products.
- uniqueness of data management services.
- timeliness of deliveries.
- staff engagement and satisfaction.
- professional and human growth of personnel.

Octo is therefore committed to:

- develop the most innovative, flexible, and scalable Platform and Products,
- to support a service roadmap assuring best in class service quality, and
- leveraging and protecting Octo Intellectual Capital,
- to enhance the gaps with current and future competitors, and
- to grow and bind partnership with customers.

Each person in Octo is accountable for ensuring product quality, and service levels adequate to customer's needs and expectations.

Octo Quality Policy is implemented through a comprehensive Quality Management System.

Our performance is monitored and regularly reviewed to ensure our standards of conduct meet our high expectations of quality for our customers and stakeholders.
